

Welcome from Aman Kochar
EVP & General Manager
Baker & Taylor

This time last year, the library world was coming to terms with new restrictions imposed to protect staff and communities from Covid-19. One year on and libraries continue to navigate these uncertain times demonstrating grit and kindness always to support their communities.

At collectionHQ, we have adapted our toolset to meet your needs based on customer feedback. And, now more than ever, collectionHQ is proving its value in helping libraries to meet changing community needs and increase workflow efficiencies.

All of this is possible thanks to your partnership and I want to thank you for being a valued member of the collectionHQ community.

Continue reading to discover our latest product enhancements, case studies and upcoming virtual events.

Product Update

In March, we added an important enhancement to collectionHQ's ebook module to provide customers with better insight into their ebook and eaudio collections.

Case Study

We recently caught up with Julie Forkner, Library Director at the Oak Ridge Public Library (TN) to learn how her library has improved workflows, saved costs and created a more community focused collection with collectionHQ.
