

Welcome from Aman Kochar
President and CEO

Hello and thank you for taking the time to learn the latest news and developments from collectionHQ.

I am happy to welcome our newest library customers who have gone live with collectionHQ this quarter.

2022 has been a productive and fast-moving year for the chQ team. It was wonderful to see so many customers and friends at ALA Annual in Washington, D.C. in June. We had record attendance at our collectionHQ User Forum and will be sharing the session digitally. It is always inspiring to hear how customers use chQ tools to amplify the impact of their library in the community.

We also recently attended IFLA WLIC 2022 in Dublin. It was absolutely fantastic to be back in person for an event and meet so many friends, both old and new.

I hope you will read along to see what we'll be reading throughout the summer, learn how DEI can impact your

community and learn about the mysterious 'Future Library'.

Thank you for all you do to improve outcomes in your community.

We've moved!
